Major Issues

1. President brought up wanting to have a mission statement. The possibility was raised that there is already one and to check the website. Upon checking the website it doesn't seem to be there. It was also suggested the by-law might be on the website, but the secretary checked and can't find them. This issue was tabled until the next meeting.
2. Issue with being extremely hard to hear those on the phone. Due to this issue, there was a motion to adjourn the meeting and reschedule for a different date. There was a second to this motion so the officers will work to find a rescheduled date ASAP.

Non-Board HOA members present:

- Gwen
- Cindi
- Sandy

Next Meeting will be Executive Session on October 29, 2021 @ 5pm
